

GENEVA® It's Swiss for unconventional

Introducing the Geneva S DAB+

- iPod/iPhone Dock
- FM Radio
- DAB+ Digital Radio

- Remote Control
- Alarm Clock

- Hi-Fi Stereo Sound
- Red, White, or Black
(High Gloss Lacquer)

The new Geneva Model S DAB+ is anything but conventional. Beautiful room-filling hi-fi stereo sound with DAB+ Digital Radio, FM and iPod/iPhone integration, the Geneva S DAB+ answers all the traditional conflicts between hi-fi and decor. From an elegant, slender profile cabinet you get all the sound without the wires. The Geneva S DAB+ is the first Geneva to feature the new Australian Digital Audio Broadcast format delivering crystal clear digital radio.

iPod shown for illustrative purposes only

"Swiss company Geneva Lab has really hit the bullseye here. If you appreciate your music and want an iPod speaker system with alarm clock and radio, this is the one you want. Rated 5 out of 5" - Australian Macworld (on the standard Geneva S)
